(a) A per-discharge uniform add-on amount that the qualifying hospital is eligible to receive as a supplemental payment for the program year for Medicaid fee-for-service discharges; and

(b) A per discharge uniform add-on amount that the qualifying hospital is eligible to receive as a supplemental payment for the program year for Medicaid managed care discharges.

(2) With the exception of the initial implementation year, no less than thirty (30) days prior to the beginning of each program year, the department shall provide each qualifying hospital written notice of the total per-discharge uniform add-on amounts for both Medicaid fee-for-service and Medicaid managed care discharges. The notice shall include the data sources and methodologies used to arrive at the value for each variable upon which the qualifying hospital's per-discharge uniform add-on amounts shall be calculated for the program year.

(3) For each quarter in a program year, the department shall:

(a) Calculate each qualifying hospital's supplemental payments for Medicaid fee-for-service and Medicaid managed care in accordance with KRS 205.6406(3) through (11) by:

(6) In accordance with KRS 205.6406(6), each Medicaid managed care organization shall remit to each qualifying hospital, or its designee, as directed by the department the quarterly Medicaid managed care supplemental payment within five (5) business days of receipt of the quarterly supplemental capitation payment. The department shall establish contractual penalty provisions to require that each Medicaid managed care organization remit the required amounts within five (5) business days.

(7) In accordance with KRS 205.6406(9), a qualifying hospital may seek review by the department of any quarterly supplemental payment that the qualifying hospital suspects is in error.

(8) In order to receive a supplemental payment and to pay the assessment for that quarter, an entity shall be a qualifying hospital each day of a quarter for the program year.

(9) Medicaid Management Information System (MMIS) fee-for-service and managed care encounter data, queried by the claim received date, shall be utilized to calculate the quarterly payments.

(10) For each quarter in a program year, the department shall:

(a) Calculate each qualifying hospital's per-discharge hospital assessment in accordance with the methodology in KRS 205.6406(3)(g) and (h); and

(11) A qualifying hospital's per-discharge hospital assessment shall be calculated using the Medicare cost report period ending in the calendar year that is two (2) calendar years prior to the first day of a program year. For example, for the program year beginning July 1, 2019, cost report periods ending in calendar year 2017 shall be utilized.

(a) If a qualifying hospital's cost report period referenced in this subsection is greater than or less than a normal calendar year of 365 days, the total discharges used in accordance with KRS 205.6406(3)(g) shall be annualized to a 365-day period.

(b) If a qualifying hospital is newly enrolled in the Medicaid program and does not have cost report information available for the period established in this subsection, the department may utilize the cost report information of a comparable hospital to approximate the newly enrolled hospital's utilization.

(12) A qualifying hospital shall pay its calculated per-discharge hospital assessment in ac-

cordance with KRS 205.6406(7).

(13) If a hospital assessment is not received in a timely manner, the department may deny or withhold future quarterly supplemental payments until the assessment is submitted.

(2) If a qualifying hospital fails to provide the department with any requested documentation in a timely manner, the department may deny or withhold future quarterly supplemental payments, until the documentation is submitted.

Section 4. Upper Payment Limit. A supplemental payment referenced in this administrative regulation is not intended to cause aggregate Medicaid hospital reimbursement to exceed the aggregate statewide upper payment limit for privately-owned and non-state government-owned hospitals established in:

(1) 42 C.F.R. 447.271;

(2) 42 C.F.R. 447.272; or
